# VILLA PRINCESS X

Sleek and contemporary in design, Princess X offers an open floor plan with spacious living and dining areas that open onto an equally spacious pool deck. The kitchen is state-of-the-art with a combination cook top island and bar with pull-up stools – perfect for entertaining. The two bedrooms, both with baths en suite, are located at opposite ends of the villa and have access to the pool deck. In keeping with the villa's contemporary design, the décor is minimalist chic – cool, in every sense of the word, and comfortable. The gorgeous beach of Petit cul de Sac is only steps away!
